(CRWQCB-LAR ID# 908040070A)**

Dear Mr. Kwey:

On behalf of ExxonMobil Oil Corporation (ExxonMobil), Holguin, Fahan & Associates, Inc. (HFA) is pleased to present the first quarter 2005 status report for the above-referenced site. The report presents a summary of the activities completed during the first quarter of 2005, and the activities planned for the second quarter of 2005.

To further investigate the extent of subsurface adsorbed-phase and dissolved-phase hydrocarbons, HFA submitted a work plan for site assessment activities dated February 28, 2005, to the California Regional Water Quality Control Board – Los Angeles Region (4) (CRWQCB-LAR).

During the second quarter of 2005, HFA respectfully requests that the CRWQCB-LAR issue a directive approving the referenced work plan. Upon approval, the work plan for the proposed site assessment activities will be implemented, and a quarterly monitoring and reporting program initiated.
